ADJOURNMENT

TRURO TOWNSHIP OATH OF OFFICE

I, Jack Mignery, do solemnly swear that I will support the Constitution of the United States, the Constitution of the State of Ohio, and the Resolutions and Regulations of Truro Township and will faithfully, honestly, and impartially discharge the duties as Firefighter/Paramedic of Truro Township, in Franklin County, Ohio.

Jack Mignery

Sworn to before me and signed in my presence this 7th day of May, 2026.

Chairman, Board of Trustees

The Truro Township Trustees held a regular meeting Thursday, April 2, 2026 at 4:00 pm at Station 161. Present were Administrator Jason Nicodemus, Trustees Dennis Nicodemus, Toni Kleckley and Pat Mahaffey, Fiscal Officer Natalie Nicodemus, and Chief Bryan.

The Meeting was called to order with the pledge and roll call.

Regular Meeting

Dennis Nicodemus moved to approve meeting minutes from the March 5 regular meeting. Pat Mahaffey seconded. All in favor.

Resolution 2026-10: Resolution updating and appointing delegates for Truro Township to the MECC Regional Council of Governments. Pat Mahaffey seconded. All voted yes.

Resolution 2026-11: Resolution amending the regular meeting schedule of the Truro Township Trustees from 4:00 p.m. to 6:00 p.m. Toni Kleckley brought the Resolution to the board. The Resolution did not receive a second.

Resolution 2026-12: Resolution in opposition to the proposed COTA Bus Rapid Transit East Main Street Corridor in Reynoldsburg, Ohio.

Before any discussion was had, Dennis Nicodemus made a motion to table Resolution 2026-12. Toni Kleckley seconded. All voted yes.

Discussion:

Pat Mahaffey: The reason this Resolution was created was because we were left in the dark regarding the BRT and there did not seem to be a formalized plan. We had a lot of questions, the Chief went down to the city, and they told him it would increase some turnarounds and as far as they were concerned there wasn't anything further, we could do about it. Which I found disturbing. There are a group of business people who have hired a lawyer and they are talking about filing a lawsuit to prevent it. I met with their attorney and that is when I decided that we should maybe get public about it, express our opinion about it, and get on record because in the past we have failed to go on public record about some things that I regretted. COTA has already reached out as they caught wind of this and so we have an ongoing conversation now and that is where we stand. That is why it is tabled.

Toni Kleckley: I have received numerous emails from people here in Truro that want it to pass. But I would also suggest that COTA meet with the Chiefs of the fire station, so

they are included in the process and discuss the issues that you think are going to take place for our area.

Dennis Nicodemus: The last couple of days I have gotten enormous emails, phone calls and everything else, and I want to thank Kelsey from COTA for being here tonight, but the consensus I have gotten all the way around is we probably need to have one massive meeting very soon with the city, township and the COTA people. Let's see if we can get things rolling and get things figured out. I understand Bexley was given some concession over that. We are not against buses by any sense of the word, but it does shorten the lanes across. With Mr. Shook in attendance today I would encourage him to talk to the mayor, I certainly am going to, so that we can somehow get everyone together in a room for an official meeting. That's what we need to do right now. What I gathered from the business folks is they don't believe they are being listened to. I do not know, that is just what I am being told.

Pat Mahaffey: Personally, I do not think that is what we should do at all. Initially we should talk to COTA because our concerns have to do with the fire department and I don't think we need a lot of input from outside people because that is what we do here. The concerns that we have impact on the safety of the people here in town as well as our personnel. I think initially we get these things worked out with COTA so we feel comfortable about what is going to happen. Then we can move forward and do what you want to do at that point. That's what I think.

Dennis Nicodemus: Let's set up a special meeting with the COTA people and go that route.

Fire Department

Asst Chief Bryan: 619 runs in March

- EMS runs 378
- Fire runs 235
- Community Paramedic CPU 6

Lt Pfaff will be applying for a grant for training manikins, which cost approximately \$30,000 each.

Re-chassis update: repairs to the box of the Braun medic will cost approximately \$6,000-\$8,000. B.C. Dorsey is reviewing this now.

The department is requesting the approval to sell the American LaFrance engine to Tolles Career Center for \$30,000.00. They are not committed to this sale just yet. When ready, we would need to create an agreement for the sale and then have a resolution to approve the sale.

Tyler Norwood Gear Locker Memorial and dinner is April 4 at 6:00 p.m.

Upcoming Events:

1. Reynoldsburg Community Clean up: April 25, 2026.

Roads and Cemetery Superintendent report provided by Jason Nicodemus

Completed storm damage clean up following the windstorm last month.

Took delivery of the new mower from BPS.

The Mausoleum restoration project is currently running a little ahead of schedule. They have got all material removed from the interior ceiling and are now going through and adding all of the new stucco and concrete and will be spraying the chemicals in there for protection. Once that gets skim coated, they will finish off with the final paint.

A security camera at the storage barn was replaced due to storm damage.

Several potholes in Qualstan will require assistance from Franklin County Engineer.

Conducted a street sign inventory for any that may need replaced in Qualstan. We are looking at current inventory to see what we already have in stock and what will need to be ordered.

Administration

Fiscal Officer's report: Approved March 2026 bank reconciliation.

Administrator Jason Nicodemus:

A property complaint was received and passed over to Franklin County Code Enforcement and the Franklin County Sheriff's Office. There are some violations the property owner will be written up for. Look to have the situation rectified in the next two weeks.

Copier replacements at both stations under the lease agreements are completed. Old copiers will be shipped out in the next two weeks.

SWACO recycle carts grant information presented to the board. Not looking for a decision at this point. Please review the information.

HB420: Property Tax Levy Continuing of Time Elimination has been introduced.

Continuing levies would go away; all future levies must be for a set period of time State Auditors will be on site April 20-21.

Trustee Reports

Dennis Nicodemus: I stopped at the cemetery today and like Jason said, they are going at it. It's coming along; this has been needed for a long time and they are doing a great job on it.

Website update: Recommendation was made that we feature some property tax information on our website. This would be educational for our residents; basic information for how property taxes are calculated so that they can get an understanding of the language. Jason has provided some talking points and information to the board for review. Would like to know where we stand and if we would like to move forward with getting it added to the website.

The Ohio Township Association has published a paper that describes the Township services that are done throughout the state.

Dennis Nicodemus moved to approve payroll of \$357,831.28 and bills of \$438,349.65 for March. Pat Mahaffey seconded. All voted yes.

Dennis Nicodemus moved to authorize the Fiscal Officer to pay the bills and payroll for April. Pat Mahaffey seconded. All voted yes.

Dennis Nicodemus made a motion to adjourn at 4:21 p.m.

The next regular meeting will be Thursday, May 7, 2026 at 4:00 pm at Station 161.

RESOLUTION NO. 2026-13

Authorizing the Sale of Surplus Equipment to Tolles Career and Technical Center (County of Madison), Ohio, Pursuant to a Contract Authorized by Section 505.101 of the Revised Code

WHEREAS, §505.101 of the Revised Code (the “Statute”) provides that a board of township trustees may, by resolution, enter into a contract, without advertising or bidding, for the purchase or sale of motor vehicles, materials, equipment, or supplies from or to any department, agency, or political subdivision of the State; and,

WHEREAS, the Equipment described hereinafter is hereby determined to be surplus equipment.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Truro Township, County of Franklin, State of Ohio:

SECTION 1. That this Board hereby determines that the Equipment described herein is not needed for public use and hereby expresses its intent to sell the equipment identified on Exhibit A “as is” and valued at \$30,000.00 (the “Equipment”), by sale to Tolles Career and Technical Center (County of Madison), Ohio (the “Purchaser”), upon the terms set forth in the Agreement described herein and pursuant to the Board’s authority provided in the Statute.

SECTION 2. That the amount to be paid by the Purchaser as the purchase price for the Equipment shall not be less than \$30,000.00, payable to the Township.

SECTION 3. That the Township Administrator is hereby authorized to enter into a contract setting forth the terms of sale and substantially in the form attached hereto as Exhibit B and by this reference incorporated herein (the “Agreement”), with such changes thereto as may be deemed by the Township Administrator after consultation with the Law Director to be financially advantageous to the Township, which determination shall be evidenced by execution of the Agreement.

SECTION 4. That the preambles hereto are and shall for all purposes be construed to be integral and operative parts of this Resolution.

SECTION 5. That this Board hereby finds and determines that all formal actions of this Board concerning and relating to the passage of this resolution were taken in open meetings of this Board, and that all deliberations of this Board and of any of its committees that resulted in

such formal actions were taken in meetings open to the public, in compliance with all legal requirements, including (without implied limitation) Revised Code §121.22, except as otherwise permitted thereby.

SECTION 6. This Resolution shall be effective immediately or at the earliest date allowed by law.

SECTION 7. That the Township Fiscal Officer be and hereby is instructed to record this Resolution in the appropriate resolution book.

RE: Silent Hill Cemetery

Dear Mr. Nicodemus,

Blue Streak Strategies (BSS) dba Blue Streak Project Management (BSPM), appreciates the opportunity to serve as your owners representative for the above referenced project.

BSPM charges an 8.5% fee based on construction dollars. The total project cost is \$146,315.72 which would equate to a fee of \$12,436.84. In lieu of this fee and out of good faith, our fee will be reduced to 2.5% equating to \$3,657.89 for this project, representing a savings of \$8,778.95.

As the project progresses, myself, Doug Smith or representatives of BSPM will work directly with you on items that will be determined as things progress.

Again, we are grateful for this opportunity and are excited to work with you.

Indemnity

The client agrees to indemnify and hold harmless Blue Streak Strategies, LLC, it's members and employees from and against all claims and suits for damages, injuries to persons (including death) property damages, losses, and expenses including court costs and reasonable attorney fees arising out of or resulting from subcontractors performance under this agreement, including all such cause of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the subcontractor, its officers, employees, agents, subcontractors, licensees, or ordered by a court of competent jurisdiction over the case. No limitation of liability for damages for personal injury or property damage are permitted.

Site Requirements

Cleanup: When performing work on site, awarded vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by agreed upon parties. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean, and unobstructed condition.

Preparation: Awarded vendor shall not begin a project unless awarded vendor does the preparation work at no cost or until the client agrees to a begin date. Site preparation includes but is not limited to moving furniture, installing wires for networks or power, safety precaution measures, etc.

Registered sex offender registration: For work to be performed at schools, awarded vendor agrees that no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are, or reasonably expected to be, present unless otherwise agreed by the client.

Safety measures: Awarded vendor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

Smoking: Persons working under agreement shall adhere to local smoking statues, codes, or policies.

Marketing

Client agrees to allow BSS to use their name and logo within their website or marketing materials and advertisements subject to any reasonable restrictions provided to BSS. The client may submit an acceptable use directive for clients name and logo with which BSS agrees to comply. Any use of BSS name and logo or any form of publicity, inclusive of a press release, regarding this agreement must have prior approval from BSS which will not be unreasonably withheld. Request may be made by email to trafis@bluestreakstrategies.net

Invoicing

Upon signing of this contract and acceptance of a contractor's proposal, BSS will invoice the client with one half of balance due in 30 days and one half of balance due upon completion of the project. BSS is entitled to a cancellation fee of \$2,500 for time spent. This fee only applies if the project is cancelled after the procurement process.

Reimbursables

Client agrees to reimburse BSS for reasonable expenses occurred against said project such as sub-contracted professional services, ie, public bidding advertising, engineering, architecture, permitting, printing materials, etc. Travel expenses are reimbursable upon prior authorization from the client. Invoicing reimbursables will occur on an as needed basis or upon completion of the project.

RESOLUTION NO. 2026-12

Resolution in Opposition to the Proposed COTA Bus Rapid Transit East Main Street Corridor in Reynoldsburg, Ohio.

WHEREAS, the Board of Trustees of Truro Township (“Board”) understands that the proposed Bus Rapid Transit (“BRT”) is being touted as a multi-corridor vision to link us all together; and

WHEREAS, the Board understands that expanding regional transit, improving roads, and ensuring safe, efficient, and reliable travel for the entire region, as these are key components to providing a high quality of life for residents, business owners, and visitors alike; and

WHEREAS, the Board remains with concerns over reduced vehicle lanes, increased traffic congestion, business impacts, pedestrian safety, and most notably, public safety response issues as the primary first responder of Fire/EMS for the Reynoldsburg area; and,

WHEREAS, the Board opposes the BRT Plan as currently proposed for the East Main Street Corridor in Reynoldsburg, Ohio.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Truro Township, County of Franklin, State of Ohio:

SECTION 1. The Board of Trustees opposes the currently proposed plan for the Bus Rapid Transit System in Reynoldsburg.

SECTION 2. That the concerns of reduction of lanes of traffic will create traffic congestion, especially in already high-traffic areas, without conducting a traffic study.

SECTION 3. The plans for medians will prevent left turns into businesses, having an adverse effect on patrons, customers, and revenue, without conducting an economic impact study.

SECTION 4. The plan puts residents and visitors at risk for pedestrian safety when trying to cross East Main Street.

SECTION 5. The Truro Township Fire Department, located on the northside of East Main Street, will have public safety and protection issues with the inability to make left hand turns with proposed medians, U-Turns and dedicated BRT lanes. Additional traffic congestion will impede response times and ability of vehicles to move.

SECTION 6. That the Township Administrator is hereby directed to mail a certified copy of this resolution to the City of Reynoldsburg and COTA (Central Ohio Transit Authority).

SECTION 7. This Resolution shall be effective immediately or at the earliest date allowed by law.

SECTION 8. That the Township Fiscal Officer be and hereby is instructed to record this Resolution in the appropriate resolution book.
